Dear Mr. Abramson:

A gentlemen was in the office and left these forms. I am of the opinion that they are the forms for the Capital Stock Tax of \$25.00 a year which was paid in 1935 and 1936.

Kindly inform me what they are and if I have neglected anything in regards to them.

In answer to your letter about the New York State Tax for 1937 and 1938, can we hold that off just a little longer, or must it be taken care of right away?

Yours very truly,
